HOWDY DUTY — please, please, please write us a short note so we know what you all are up to, in the spare time of the "retirement zone".

Committee's Corner

Dear Other Siders,

Between computer problems, illness, visitors and lack of donations we have not sent out a newsletter since July. We really feel bad about "the excuses" but Internet Web Sites, Internet Licenses, printing and stamps (we still send out approx. 240 hardcopies) cost money. The Internet is not a free enterprise to all users. We know there are quite a few people who have computers and e-mail, who receive a paper copy. We do make exceptions for certain situations. Some of our retirees are living on fixed incomes and cannot afford to donate; therefore, we have not mandated an annual membership fee. If you no longer wish to receive the newsletter, please let us know. If you have an e-mail address, please let us know.

Hope you all had a great summer. It was too short for me! Have a Happy (and safe) Halloween. We are handing out toothbrushes.

Best Always,

Jan Love

Sick Call

Frank Mullins - (Short version) 11 September, Frank was working at alone at home, the bottom half of his body was run over by his tractor. He is in serious condition at Aurora South. So far he has had 3 surgeries, to fix his crushed pelvis, to repair his bladder and the last one to remove his pancreas. Two girls were driving as saw a tractor crossing the highway without a driver, stopped to see if everything was okay and Frank was airlifted to the hospital. Thank God the girls stopped, Frank takes Coumadin and would have bled to death. He can have visitors.

Joyce Saitta - had eye surgery 21 September to repair a hole in her left retina. She has been staying with relatives but will probably go home by the middle of October. She had to keep her head face down for the first week or two. Here Chiropractor loaned her a table and massage chair so she could change her positions without compromising the surgery. She is able to drive but her vision is still cloudy in the left eye.

Ralph Evans - Received a call from Imogene Evans, on 27 September, Ralph is on home hospice care. He usually is up and accepting visitors/calls by 1000. Ralph usually retires about 1730 because he gets "aggravated". Imogene said he would love to talk to any/everyone.

Chuck Hoffman - The last week of September, Chuck spent two nights at St Joes, because of intense pain in the knee he had replaced. He did come to the come to the October meeting. He's feeling better but he said they drained about a gallon of fluid from his knee.

Faith Muzy -surgery on Oct 9 to replace her right shoulder. It was a 6 hour surgery and she came out fine but is still in the hospital. It will be a long recovery period as they performed a reverse shoulder where the cup is on her arm and the ball is in the shoulder.

Taps

Robert is now safe in the Arms of God. Memorial Services were held on Saturday, August 13, 2011, at Fort Logan National Cemetery.

Bill Morris, COL (Ret), 81, passed away Oct 2nd and services were Oct 7th. He is buried in the Veterans Memorial Cemetery in Sierra Vista, AZ.

NOVEMBER LUNCH

Con't from pg 1

The next Meeting is 1 November. The meal will be a tradition Thanksgiving Dinner for \$8 per person. Please RSVP to **Joan Pickens at 303-699-4647** by 25 October. Please RSVP or cancel if you can't make it. We feed 28 people this month and the number I called in 17. Luckily, some people didn't show up and Bill the Cook always makes a little more food.

FOOD

Bill the Cook is leaving the end of December. He has medical issues with his hands. We will be collecting donations for him and a gift of appreciation. So far, TREA has not found a new volunteer to replace Bill so we maybe "brown bagging" it, beginning in January 2012.
