

OTHER SIDE OF THE MOUNTAIN GANG
We Still Give A Damn
Office of the President

Greetings From the Ridge!

January 1988

To you all who braved the snow and near zero temperature to attend our January luncheon, please accept my thanks. That took guts! We had a total of forty-seven. I was so touched I had to force myself to pass the Poverty Basket. We had forty-seven members present, but only collected forty-five dollars. So two members either didn't kick in, or just thumped the bottom of the basket. Starting in March we will have a new procedure. Before we pass the poverty basket we will lock the mens and ladies restrooms and have a guard at the front and back door of the club.

Now for a you heard it here first: Put this on your 1988 calendar. At our MARCH luncheon either before, during or after, a photographer will be there to take a group picture of us to put in the Colorado Air Guard history book. Please don't dress up. Nobody would recognize us, and besides it would ruin our image.

Peggy Graham, club manager, and her crew had a special dish for our luncheon: beef stew. They plan to have a different special at each luncheon.

The search for the Other Side of the Mountain Gang theme song is progressing slowly. A few of the latest entries are: You Must Have Been a Beautiful Baby, I Was Almost Persuaded, I Didn't Know God Made Honky Tonk Angels, I'll Be Back In a Year Little Darling, I Want To Go Back To My Little Grass Shack In Kialakahua- Hawaii, and No Letter Today.

January birthdays are Jan Axton and Walt Williams.

Free lunches went to Walt Williams and Herman Klap.

Les Waggoner, our Chief Engineer, has been busy working on the electrical system in the Perry Jefferson room. Les got a battery-driven screwdriver for Christmas and has gone hog wild. Isn't it ironic that members of the Other Side of the Mountain Gang still find time to support our old "NCO Club" in spite of age, rules and regulations and a tight budget. Eat your heart out, Guard Bureau!

Saw Ernie and Helen Nold at the commissary on 7 January. They showed me pictures of their new dog they got at Christmas. The new dog is a toy maltese and the name is Sam. They got the dog, food, leash and shots all free. So if you are interested in a free dog from the Dumb Friends League ask Ernie and Helen and they will give all the info.

Next luncheon will be Tuesday, Feb 2nd. This will be our Valentine Luncheon.

OTHER SIDE OF THE MOUNTAIN GANG
We Still Give A Damn
Office of the President

February 1988

Greetings From the Ridge!

Be sure to attend our luncheon on Tuesday, 1 March. That's the big day the Gang will have pictures taken for the Colorado Pride History Book. It has been decided to have the pictures made with the bar in the background. Be sure not to overdress. Remember our dress code; jeans, sport shirt and tennis shoes, when applicable. We don't want to look too prosperous; Peggy might raise the prices on food and drink.

Good news to those of you who would like to be president of the Other Side of the Mountain Gang. I will not be a candidate for re-election in April 1988. I have completed almost three years as president, so it is time to give someone else an opportunity. I have really enjoyed being president and I want to thank you all for your support. We have about 140 active members now and there is room for more! I have requested that there be no change of command ceremony, parade, or flyby when I turn the gavel over to the new president. Our budget just can't cover the cost. Maybe a few boilermakers at the bar? I will ask three members to act as nominating committee. These three "volunteers" will be announced in March. Don't miss the April luncheon. That's a sure way to be president!!!!

BIG REQUEST: Some of our members don't drive anymore. So if you don't see an old friend at the luncheons give him/her a call. Maybe they could use a ride. I have a lot of members ask me, "What's happened to ol' _____? Haven't seen or heard of him/her in a coon's age." Surprise ol' _____ by calling him/her. Maybe they are waiting for your call. They'll be glad to hear from you and feel good that someone gives a damn.

The two dollar shortage that occurred when the poverty basket was passed in January has been cleared up! One name appeared twice on the sign-in sheet and one honest member kicked in a dollar at the last luncheon. I hate to sound fussy, but as His Honor, Sam McGrew used to say, "Figures don't lie, son."

February birthdays: Marcel Dube, Keith McGinnis and Jim Hanson.

Free lunches: Marcel Dube and George Stolley.

OTHER SIDE OF THE MOUNTAIN GANG

We Still Give A Damn

Office of the President

Greetings From the Ridge!

March 1988

Boy, did we ever have a humdinger of a luncheon last time! We had a total of eighty (80) folks. That is the most we have ever had. For you poker players, that's called a full house. (pun)

We had quite a few of the men violate our dress code by wearing ties! Those of you that served with me in the military know what a stickler I am about rules and regulations. The way I figure it, those who wore ties were bucking to be our next president starting in April. We have a complete list!

I feel that I've let you all down. The other night I was watching the Winter Olympics on TV when it hit me. The Other Side of the Mountain Gang was not represented in any of the events. This was an oversight on my part. When the next olympics rolls around I would like to have us participate in the 90 meter ski jump, pairs skating, luge, hot dog skiing and biathlon. We have a lot of talent in our organization. We should take advantage of the opportunity.

Latest entries for our theme song: Cigarettes And Whiskey And Wild, Wild Women; Mademoiselle From Armentiers; How Do I Know It's Real?; One Meat Ball; We Heil, Heil, Right In The Fuehere's Face; Those Wedding Bells Are Breaking Up That Ol' Gang Of Mine.

For those of you who may not have heard, a memorial service was held for Shirley Knapp on 2 March 1988 in Aurora.

The three members of our presidential nominating committee are Les Waggoner, General Joe and Tom Oliver. The election for your new president will be held at the close of our luncheon on Tuesday April 5th. So if you have presidential aspirations, send your resume and bribe money to them. To comply with Air Force, Air Guard, Wing, Base, Squadron, State and County election rules and regulations, no alcoholic beverages can be sold during the thirty seconds it takes to "elect" the new president. So, buy several drinks and have them on hand during these exciting moments in history.

To the member who put the two rolls of pennies in the poverty basket; one roll was two cents short.

March birthdays: Les Waggoner, Dianna Thebado, Vee Reid, Harry Scott, Walt Moeller, General Joe, Al Bargmann, Elden Rossow, Rio Lucas and Tom Barfoot.

Free lunches: Ethel Waggoner and Bill Skinner.

Other Side of the Mountain Gang
Office of the Past President
We Still Give A Damn

Greetings From the Ridge, for the Last Time!

April 1988

After a stormy thirty second election, Spike Boyle was elected President of the Other Side of the Mountain Gang. Spike received the usual ruffles and flourishes pertaining to the high office after which he made a dramatic tear-jerking ten second acceptance speech. Spike's platform for the new office is the same as your past president, "No long-winded speakers!!!!" Way to go, Spike, You'll probably be reelected next year.

After three years of being president, it will be nice to attend the luncheons without any responsibilities. I'm sure gonna miss hearing: Who picks out those damn cakes? I don't like coconut. Why do I have to put a dollar in the poverty basket? I put one in last year. My bowl of chili wasn't very hot today. My piece of cake was real small today. Why don't we meet on Fridays? I don't like onions on my hamburgers and they put them on every damn time. It's hotter'n hell in here. What's wrong with the air conditioning? There are no paper towels in the men's room. They searched my car on the way in. What the hell's going on? Let's get this meeting over with in a hurry today. I've got to pick my do up at the vet's at one-thirty. What the hell is he all dressed up for? Going to a funeral? Who is that guy sitting over there? I don't remember seeing him before. And and and on.

As of this writing, April 18, our underground reports that Peggy Graham, CAMANA Club Manager has resigned as manager of the club, effective 24 April. Also, Bob Quinn, Club President, has resigned effective 27 April. For you ol'timers, the CAMANA Club is what used to be the NCO Club. Those were the good ol' days!

Bob Waltz, long time member of the Supply Command, has retired. At a retirement luncheon, General Joe and I presented Bob with a bottle of Tennessee Black Daniels sour mash. Bob doesn't drink sour mash, but if he decides to get rid of it, I know someone who could use it. (Hint)

Two men had finished eighteen holes of golf. While getting dressed after a hot shower, one of the men noticed his friend trying to get into a girdle two sizes too small. "When did you start wearing a girdle?", asked one man. "Right after my wife found it in the car's glove compartment". Boooooooo! Bet you'll miss those leg slappers.

I want to thank Dianna, Flo, General Joe and Greg Krzyzak for their help during the past three years. Thanks also to those of you who attended regularly, to those who contributed to the Poverty Bakset, (even though I did hear a few moans and groans). Come out and give Spike your support. I reckon that's about all. As we used to say in the Army Air Corps, "Over and Out".

My first meeting as your "up front" person went really well. Fifty people were in attendance. The volunteer cook and dishwasher did a fine job in spite of the fact the club was closed.

Speaking of the club, we have been informed by CMS Larry Meese, that it will always be opened for our luncheons.

Starting 1 June 1988 the club will be open for lunch with limited help. One manager, part-time cook and volunteers will operate it...looking for something to do? The service may be cafeteria or buffet style.

Had a call from Les Waggoner asking how things went....seems he was stuck in Casper in 14 inches of snow. (Now really...he just thought it was Summer Camp I'll bet.)

Doug Gill made his first venture out to our lunch. Welcome Doug, glad to see you again.

Anyone who has some time and would like to help Maj Whitely on the book, it's coming down to the wind-up and he needs proof-readers for material from the 60's, 70's and 80's. It stirs up the old memory cells a whole lot.

Birthdays in May were Flo Wilhelm, Ray Kwidzinski and Walt Reither.

Helen Mc Cabe and Tom Oliver got the free lunch ride.

Our next meeting will be Tuesday 7 June 1988, please remember to sign in as you come in.

Sorry to have been so long in getting this letter out to you but our reproduction plans kind of fell apart at the worst possible time. It will be squared off next month I'm sure.

See you all in June

W D Boyle

OTHER SIDE OF THE MOUNTAIN GANG

June 1988

The 7 June 1988 meeting was attended by 45 stalwarts, ready to sample the new club service. It worked great!!! Everyone zipped through the line, had what they wanted and we all ate together.

New faces attending (in order of the sign-in sheet) were: Robert Neal - spiffy in a pale blue blazer with Guard patch on the breast pocket, Veolada and Jim Thigpen, Lowell Leigh - looking hale and hearty and Tony Lucero. Welcome to all of you, hope we see you often.

Bill Knipprath was the birthday boy of the month...he also celebrates his 40th wedding anniversary this month. The free lunch bunch was Dianna Thebado and Al Bargmann. Please note: Under the new service system we have to draw the winning names before serving starts so be sure you sign in on the sheet as soon as you arrive. Can't win if you aren't signed in!

Surprise!! We have some business, really. When I worked for the state at 300 Logan after I retired, we opened a savings account under the State group program. Last month we got a letter telling us we were no longer able to have this high yield open access account as we were no longer in the group since I had quit working for the state. So Marie called and found out we could get the same thing if we had another group affiliation. Then I called and the Other Side of the Mountain Gang could be entered as a group. No fees, no hidden stuff, all out in the open and just perfect for low investment and easy access to your funds. Those attending in June said to go ahead with it. Enclosed is full information. Marie can tell you how it has worked for us and she's so cautious with our money she's close to a miser. When she says it's the best, I believe her. We did the certificate stuff and she hates to have to keep track of when they roll, when she can use any money etc. and this account (savings) cuts out all that mess as well as paying interest every month, not quarterly, write a check if you want or let it sit. It also pays higher rates than most certificates do. Read all of the enclosed information, ask us anything you want, and be sure if you want to open any accounts you get the necessary card from us...no need to be embarrassed by trying to open it without having the vital card.

One sad note this month. Bob Huggins passed away 19 June at his home in Sun City AZ. He fought a gallant battle.

Because of the 4th of July holiday our July meeting will be 12 July..... just a week later than normal.

Mayland D Boyle

THE OTHER SIDE OF THE MOUNTAIN GANG

July 1988

The July 12 meeting was a good one, 49 people signed in. Not a bad crowd for July with vacations, fishing and all.

July was a big birthday month, Bill Haggerty, Bill Williams, Don Wood, Harry Byma and me too! Free lunches went to Jan Axton and Bill Haggerty. Tables were decorated with flags and we had a 13Star decorated cake in honor of the 4th of July (and Haggerty's 4th of July birthday).

First timers were Art Hill, Don Bowman and Paul Smith. I hope they all had a good time and will come back again.

Johnny Candelaria is starting work on the 20th Anniversary celebration of the last recall and will be up-dating and asking for our help in doing it up in Air Guard style.

There is a small problem with the sign in sheet..checking this month we had 49 signed in and yet we totalled 54 bodies!!!!

Donna Mc Kelvey who is working on the Colorado Pride project was a welcome visitor.

Notable by his absence was Tom Linam. It was suggested we convene a Board on this AWOL matter but after talking to him we approved a make-up session and Tom pleaded the fifth..... he said he'll drink it later.

Gen Joe has asked we mention Hospital Insurance to all of you. Fitz is cutting back more and more on retiree care and OCHAMPUS only pays a portion of the bills. You do need other ins.

Let me clarify one thing on Bankwestern. On your cards I have signed as Plan Administrator. That means I did the leg-work and am the contact if they need any information. Never will I receive info on any account in the group (except my own). I do NOT receive any pay, no commissions or anything. OK?

Our next meeting will be back on schedule 2 Aug, come on out and enjoy with us. For those of you who cannot make it to the meetings please remember your postage money. Rates have gone up and without money we cannot buy stamps.

Let me know of any sickness or distress so I can put it in the newsletter.

OTHER SIDE OF THE MOUNTAIN GANG
August 1988

Our August 2nd meeting of the Gang had a very good turn-out...we had 70 people present!!!

The First-timers this month were Jerry Greenwald, Mel Spurlin, Bob Knapp and Walter and Joyce Degurse. I hope everyone said Hello, shook hands and made them welcome.

Birthdays were Mavis Dilley, Tom Linam, Jack Wilhite and Bob Snyder... they aren't getting older, just better.

The free lunch (courtesy of the Camana Club) winners were Monroe Mathias and Cal Gochenouer.

One improvement was added to our lunch, the Club set aside a NO SMOKING area and will continue to do so.

The Group Banking program has had good response and looks like a go. I will continue having cards with me all meetings and anyone needing info can call me at 364-1373.

Les Waggoner reports Bob Walsh (Ret. Supply) has had knee surgery and is now home doing fine using a walker for a while. Doug Gill (Maint) called to tell me he was going to miss the meetings for a bit...he's got to keep his leg elevated for a while for a blood clot. Cheer these two up with a phone call if you get the chance.

The Colorado Pride book is on schedule and should be out around the first of the year. The original date was before they found out what a rich, full history there was to cover.

Ran into a minor glitch the other day, I tried to contact several of you by phone and guess what...please check your numbers with Marie if you had a change in the recent past. OK?

The cafeteria style serving seems to meet with approval and the C Club would like your input on things you would like to see on the menu. Let's help them out.

The September meeting will be delayed to the second Tuesday...13th this time due to Labor Day. See you all then,

SPike

OTHER SIDE OF THE MOUNTAIN GANG

September 1988

Our meeting this month was on the 12th with 67 people present cheering up a really gloomy day. Wonder how many years of total experience was there in that room?

Winners of the freebie lunch, given by the Camana Club, 'cause we're so nice were William Marlowe and Bob Snyder. From what I hear the cafeteria serving is going over quite well.

Birthdays were Jo Duncan and Wally Buck, may you have many, many more if our singing didn't harm you.

We had four first-timers we hope enjoyed themselves, Lloyd Richards, Leon Harmon, Everette Meyers and Gene Schroeder. Gene brought Doris with him to add a bright spot to our lunch group.

In our mail this last month we got a change of address for Harry D Scott, he has now moved to Canon City where Tom Linman says he should have been all along! Thanks Harry, the only way we can keep up with everyone is if you let us know. Other mail came from Ray Beckage, who shares his Gang letter with Vern Marshall and Don Allen. We don't have their addresses.

For those of you who do not attend the meetings to be able to feed the Poor Basket (mailing money) please try to send it to us if you can. Just make the check to me as the Gang does not have a checking account and it is hard to cash the checks made out to the Gang.

Contrails was not available at the meeting nor is it available for this mailing. For those of you who do request it in the mail from us please remember to send the \$3.00 for it.....if we can get it.

S/Sgt Scherrer NCIO Community Relations LAFB visited us and requested a minute to pitch the Speakers Bureau. Our experience is invaluable for a program they have that tells students what the history is we have lived.

Bud DePry was able to attend and was our Oldest Person of the month, we have to thank Tom Liman for taking the time and effort to bring Bud out.

With winter breathing down our necks maybe some of you would like to car pool out to join us. Do you know anyone who for one reason or another is not able to drive? Give them a call and see if they would like to attend. (Note from Marie - Bring your spouses once in a while...we all love to see them and the more the merrier.)

Next meeting is Tues 4 October 1988....See you then!!!!

PS. Maxine Pilcher wrote and sends her best to everyone..our best to her too!!

OTHER SIDE OF THE MOUNTAIN GANG

OCTOBER 1988

Our October meeting on the 4th was a big success. 65 people were present, some we haven't seen in quite a while.

Birthday people were Tom Florea and Joe Parsons. Not present but also an October birthday was Bill Marlowe. Congrats to all of you. A candle on a cupcake and a card went to both present. The cards were done by Marie on her computer.

The Freeloaders, oops, I mean Free Lunches went to John Ballard and Rip Reposa.

Our first timers were: Vern Marooney, Jeanne Gill, Bob Reither, Dudley Butler and Tom Florea. Tom didn't give me his address, can anyone help? Same thing on Bob Reither.

Mail for the month came from Dan Chamberlain, John & Barb Hoekstra, Herb Schattle and Maynard Campbell. Maynard says fishing is great and asks to have everyone drop in during their travels and to write to him.

Maynard Campbell
307 Spring Branch
Lufkin TX 75901

Faces from the past that were present this month were:
Bob Cherry, Harry & Helen Scott and J D Prentiss.

Next meeting, in spite of the confusion that I caused, will be as usual, the first Tuesday 1 November, same time and place. Election Day is on the second Tuesday, 8 November. Be sure you exercise your right to vote. After all we spent a lot of years defending and preserving that right--- don't waste it.

Colorado Pride is coming along on schedule now for just after the first of the year Chuck Whitely says.

Major General Stanford Gregory passed away this month. His services were 14 October with Honors by the Colorado Air National Guard. He served long and well and will be missed.

The November lunch will feature the usual Holiday Door Prize drawing for two frozen turkeys. We thought of live turkeys but who wants to clean the club afterwards.

See you 1 November,

SPiKe

OTHER SIDE OF THE MOUNTAIN GANG

NOVEMBER 1988

The Nov 8th meeting was attended by 59 people. First-timers were Larry Andrew and Vic & Lois Hoops. Gregg Gardner was the guest of Bill Knipprath. We all welcome these people and want them to Come On Back!!!

Free Lunch winners were Bill Axton and Walt Williams. Bob Talbot was with us ON his birthday!!! Other Nov birthdays were Ben Bates, Bill Axton and Tuck Mestepey. Joe Bahmeier led us in singing Happy Birthday!! Birthday cards and cup cakes with a candle went to each except Tuck- he likes cookies better but how do you put a candle on a cookie? I tried and it can't be done...singed fingers. Happy Birthday all of you and may you have many many more.

FACE FROM THE PAST - this month was the Right Reverand Monsignor, Col., Father, Padre, Richard C Heister. We Welcome you back and please, do return to us soon.

I received letters this month from Bill Mc Gaffin and wife - they have been spending time in Fla. - Vern Marshall wrote from the Western Slope with some names for the mailing list - Bill and Anne Neuens will be returning to Genessee so welcome them back. Don Lucke writes he is doing fine and will try to get out to see us soon. Don signed his letter Class Of his Retirement date, a good idea, so next lunch add your year to your sig. and I will try to get it on your name tag.

Our Turkey drawing really was for certificates...\$15.00 each, so you can buy when and what you want. Father Heister an Rev Hoops drew the winning numbers for Larry Andrew and Bob Polski. We will have another drawing at the December meeting.

Our hearts go out to Joe Parker, whose wife, Zelda was buried on our luncheon day.

SMS (Soon to retire) Bob Huffman spoke to us about the 20 Year Reunion planned for 26,27,28 May 1989 to mark the return from the 68 Recall. His work is in the beginning stages and he will need to contact all those who had a part in that jolly time. If you know of any strays call Bob at 340-2278 or write him c/o 140 CAM SQ, Buckley 80011.

The next Luncheon will be 6 Dec 88, same time, same place, COME ON OUT!!!!

OTHER SIDE OF THE MOUNTAIN GANG

DECEMBER 1988

WOW!!! GEE WHIZ!!! We sure had a bunch of people out for our Dec meeting!!! Would you believe 81 people signed in? It was just plain good Club management that everyone got fed! Jane was really concerned when the tide of people seemed endless! But all turned out well, everyone got fed.

Club management had the Club decorated and used Christmas print table covers so when we added the red & green cookie bundles Marie donated and little plates of fudge all over the tables (Jeanne Gill did that fudge), well it sure looked like Christmas!!!

Free lunches went to Ed Villano and Wayne Carlton, congrats to them.

First-timers were Bob Zepp, Ila Burke and Lola Bargeman. It's nice to see wives joining in on the fun. Welcome, and come on back! Another first-timer got caught in traffic and was really late, Don Carlisle.

Frenchie Dube provided us with a PA system. Thank you Frenchie, it worked very well.

Birthday cakes, candle and cards went to Lois Hoops, Tom Oliver, Bob Knapp, Maxine Merten and Bob Minnehan. One other was presented but I can't pick up the name from the tape...sorry, Someone. Les Waggoner led the singing of Happy Birthday.

Drawings for Christmas Gift Certificates were won by Joe Moffitt and John Kottal.

Gen Weller wrote us this month with his Best Wishes and hopes to join us soon.

Out of towners this month - Clem Hoffman CA, Harry D Scott Canon City & Bill Koger from everywhere.

A Photo Album was purchased to hold and display the pics Rip Reposa is taking of our meetings...when he remembers his camera. Great idea don't you think?

We have some sad news this month, J D Prentiss was hospitalized somewhere in Texas. All we know is that he is now out of danger. Ken Balkenbush is battling pneumonia at home but not eating well says Angie. You may call him on 1-646-4552 or write a note to PO Box 424 Elizabeth CO 80107. Hang in guys, we are praying for you.

The recall anniversary reunio is moving along. If you have not been contacted by them or if you know the address of some one out of state let us know and we will pass it on the Chief Huffman.

Some of you have letters from Colorado Pride enclosed with this letter, we are doing this as a favor to them as we already are in contact with you. Send your replies to them as soon as possible.

The next meeting is 3 Jan 1989.

MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR ONE AND ALL!!!!

Spike
