Other Side of The Mountain Gang

303 364-1373

February 1995

The February 1995 meeting had 92 people in attendance.

First-Timers were Robert Annibal and Jim Thurman.

Free Chow went to Keith Hensen and Bob Alrich.

Birthdays were Paul Moya, Helen Keltch and Jane our Club Manager.

Sick Call - Marie Linam and Marion Moffitt were both on the puney list. Floyd Leople was in St Joes Hospital. Art Seckman passed away. He lived in Gunnison and had been with the 154th.

Bob Cherry spoke to the group about personal affairs. We have to get them in good order and keep them that way. Casualty Affairs office in San Antone phone number is 1-800-433-0048. These folks stand ready to help at all times. The LAFFB office is still open but I do not have that number.

We were asked about the possibility of an evening or week-end meeting for those who work and cannot attend our luncheons. I have a Committee looking into the matter and will let you know.

As you all know from TV and newspapers things look terrible for Fitz. Now we have to stand up and be counted again. Write the letters, make the calls, be pests !!! If you need addresses, phone numbers, Fax codes etc. call Future of Fitzsimons at 1-800-605-3223. Remember it ain't over until the fat lady sings.

You know postage went up again so think back and see if it is time to send your postage money again. Be sure the checks are made out to me, W D Boyle. I cannot cash checks to the Gang. To do that we would need a checking account and to get that we have to have all sorts of stuff, tax numbers, file tax forms, the whole ball of wax.

The next meeting is 11 or so on 7 March at the Club. See ya then.

March 1995

We had 67 people signed in with Jeff Von and Jim Freeland as first timers.

Free Chow- We had three due to not awarding one last month. The lucky ones were Bob Huffman, Pat Bossiey and Gerry Pawley.

Birthdays- Joe Moffitt (not present) Vee Reid, Bob Hoffman, Al Barnes, Bud Schreiber and Dianna Thebado.

Joe Moffitt was on the puney list but doing fine now. Bea Van Deest had surgery for phlebitis, Ev Martin had eye surgery and Don Bowman^{*} is at home not doing very well. Sadly Don Lovison's Mother passed way.

The BRAC people will be the focal point for a while but keep up your letters to Congressional people as well. I will try to have as much info as possible at meeting time. Please remember it is not over until the fat lady sings and also remember our motto SALT send a letter today.

For BRAC letters write to :
The Honorable Alan Dixon
1700 N Nome
Arlington VA 22209

Express your own feelings, experiences etc. in your words, politely, clearly, and as briefly as possible. Also a hand written letter gets more attention than any other. We may not have had a written contract but this country was built on a man's word being his bond.

I hope to have a man from Social Security visit us to talk about Medicare. It is vital now that we know as much as possible.

Our Annual Bar-b-que is scheduled for July so be sure you sign up as soon as possible.

Our next meeting will be Tuesday 4 April, Camana Club 11:30 to 1:30 Hope to see you all there.

OTHER SIDE OF THE MOUNTAIN GANG APRIL 1995

April meeting had 96 people present.

First timers were Bob Barker, Jim McHugh, Judy Cummings and John France - First time as a retiree. We had one guest, Victoria Pennington.

Bob Aldrich and Gill Bliss won the free chow.

Birthdays were - Bud Schreiber, Bob Herbst, Cal Goachenhour, Irene Knipprath, Pat & Helen McCabe, Ernie Nold, Evie Martin and Ed Villano. Birthday song leader was the tall, dark and handsome, John France.

Sick Call - Maxine Mertin was in a serious car accident and is now recovering nicely. Bill Cherry had hip replacement, Rio Lucas will have surgery in the near future. John Gouwar's Mother-in-law, Margaret Perry passed away, very suddenly.

As you know the BRAC Com. met in Albuquerque NM 20 April. 70 people traveled by bus to show their support to keep Fitz open. There is a very slim chance, but we are hanging on to it.

The new Tri-Care program is a tough one to understand. Hope the enclosure attached will help. It was taken from a Coast Guard Retiree letter. Look it over as it will be here soon.

Marie & I will not be at the May meeting, we will be on the Norway in the Carribbean. We had set this up to work with the regular meeting time only this month we had to change because of a conflict with Club usage. Don Neary will head the meeting assisted by Tom Linam. Joe Broom will make the cookies and birthday cakes....from scratch. I really thank them for their efforts and know they will do a fine job.

The June meeting will be on the 9th. Camana Club 11:30 or so.

May 1997

The May meeting had 64 people present and signed in.

Don Neary chaired the meeting for me as Marie & I were playing rich on our Cruise. We went to four islands, St Maartins, St John, St Thomas and Great Stirrup Cay, the private island for NCL. The private island was for a day of sun, sand, surf and bar be que. Ah yes, seven days of being pampered---a guy could get used to that really fast!

We want to thank Don for filling in for us. Joe Bloom made the cookies and cup cakes and I'm told he did a fine job. Our thanks to you also.

Birthdays for May were - Lloyd Richards, Helen Nold, Bob and Lorene Reposa, Jim Deyo, Walt Reither and Mat Flick. I'm sure the song leader did a fine job as well.

On a sad note, Wayne Carlton died. We all lost a dear friend and our hearts go out to Jesse.

Gen. Whitney addressed the meeting.

The new gate for 6th Av is now open and there are a few changes.

Here is a name and phone number to keep on hand for reference.

Ken Pearce
Patient Representative Officer
USAF Retired
Phone 303 361 3176
Autovon 934 3176

Ken stands ready to assist you for hospital treatment problems or any problems with death.

The July meeting will be late, 11 July in fact, it is our Annual Barbeque. So we may have the right number of Steaks you must sign up, in case you have not, at the next meeting. If you do not have the chance to sign up in person call Bob Herbst at 303 757 7546 and he can include you in the plans

June meeting is on the 6th same time, same place, see you there!

JUNE 95

The June meeting had 13 people signed in.

We had 3 first-timers with us - Bob & Doris Burns, Larry Burke and Herb Sepper. We also had visiting from Arkansas, Gene Jordan. Welcome.

We had one free lunch- Bob Barker. The other free lunch will have to be awarded at the August meeting as we do not have free lunch drawings for the July meeting.

Birthdays were Ted Van Deest, Dan Morris, Steve Pahs, Don Ford, Henry Meese, Joe Hallock and Bob Reposa.

Clarence Douglas was in Fitz for a time this month. I do not know how he is at this time of writing.

Bill Axton's Father passed on, our thoughts go with you Bill.

Lake Williams at Buckley was stocked with cut throat trout. I am told there are several 6 to 8 pounders left over from previous stockings. See the Security Police for lake permits.

11 July is our annual BBQ or steak burn. If you did not sign up call Jane at the Club to get on the list.

As I am sure you all know, Fitz is being closed. It will probably happen sooner than we realize. I urge all of you to review your hospital insurance programs and research others as you can.

You may obtain copies of your medical records from Fitz by making a written request to Patient Assistance on the second floor of the Hospital building. The form is very simple and you need one for each family member.

I will address this problem again as needed.

July 11 is the date - The Club is the place and the time is 1045 until?

See you there all set for a fun BBQ.

July 1995

The July meeting had 84 people in attendance.

We had three first-timers, Martin Bradley and Art & Elizabeth Carlson. Welcome, we hope to see you all again.

Because of the Bar-be-que there were no free lunches.

Birthdays were ; Don Wood, Remedina Martin, Don Bar, Lorraine Baker, and Spike Bobbie Cardenas led the Birthday Song.

Sick Call ; Tex Parson (Sky Cop) passed away. Marie Boyle was headed in for eye surgery and ended up getting a heart catheterization as well. Wally Buck was looking great after his heart problems.

In view of Fitz closing and the changes in medical care nationwide I will continue to have Med Care people at our luncheons to tell us what their companies have to offer. We had Ron Wright Rep from Qual-Med (HMO) who handed out info packets and talked to individuals.

Our BBQ was a huge success and our world renowned chefs did a marvelous job. Our special thanks go to Chef Herbst and Chef Joe Bloom, my steak was done to perfection.

Bob Herbst hand made a gavel and block for the Gang. Now we can officially open our meetings with a rap of the gavel. Bob Cherry did the honors of presenting it to the Gang. Thank you Bob, once again you stand tall in the Gang.

Gen Whitney updated us on Base activities. June 1996 the Guard will celebrate the 50th Anniversary. The Air Force did not come into its own until one year later July 1947!!!!

There will be a big open house, Air Show and we will keep you posted. Should you like to take part in any way let me know.

there will be an open forum where the public is invited to discuss reuse plans for FAMC.

Next meeting 12 Sep same time same place. See ya, I hope.

Great brains there. Some left out as early as 6 am but he lucked out and left at 11:00 time for better packing.

OCT 1995

Other Side of The Mountain Gang

303 364-1373

Well here I am again. Spike says since he wasn't at the meeting I had to do the letter from scratch. Of course one other reason could be that the computer has decided it wants to do it's own thing, and to heck what we want. So, here goes.

We had 64 people who signed in to the meeting. No new ones that I am aware of so if I missed anyone please let me know.

Janis Sorheim and Lorraine Baker got the lunch tickets...no I did not cheat!

Birthdays were Herman Klap and Moe Etter with Gen. Whitney leading us in the Birthday song. He did a fine job.

Gen Whitney spoke to us about the Air Force possibly getting part of Fitz for the active duty people at Buckley. AF may also get the BX, Com and Community Club. If not space has been set aside for a Commissary at Buckley IF they get funds for water, sewer, power etc.

Each month it seems as if we say farewell to more of our regulars. The service for Evie Martin were really nice but terribly hard on those of us who had special fun memories of him. Remedous was doing quite well the last we talked with her.

Ok now for the Computer problem. A few months ago something went wrong and names started dropping off of the label list. No one seemed to know what was going on so, stupidly I let our son wipe out the disks, reenter only Gang stuff and Windows 95 to do all the work. Smart move? Who knows. Last month I learned two more guys were gone off the listing. I am checking every way I can think of but if you know someone who is not getting his letter PLEASE let me know at the meeting.

Next meeting will be 7 Nov, same time, same place AND Spike will be back!!!

Nov 1995

In Nov we had a good big turn-out----98 people.

First timers were Russ and Johanna Horton. Welcome.

We had two visitors , Ron Silvrants in from Spokane and from Las Vegas, Frank Dunn. Both are long time members we just never get to see!!!

Free chow went to Don Wood and Vee Reid.

We gave away the usual gift certificate of \$10.00, this one from King Soopers went to Bob Herbst.

Birthdays were Bill Axton, Tom Superants, Dale Thompson, Jack Bruce and Jim Deyo. Our song leader was Ron Silvrants.

Sick Call, Jim Burkhart had shoulder surgery, recovering now at home. Tom Florea had surgery and is doing fine at home. Bea Van Deest is still at home with that nasty cut on her leg.

Just after our Oct meeting H E " Evie" Martin passed on to that big golf course in the sky.

Qual Med was out again to talk with us after the meeting and pass out their info pamphlets.

Bill and Jan Axton have taken off to visit family and will be missed at the Dec meeting.

Don't forget, the Dec Meeting is when all the ladies bring their special Christmas goodies so we can all overeat and be happy. Also bring a Christmas card you signed so we can put them in a basket and everyone will leave with a card.

In January we will have a special after meeting activity. Brown bag ALL your Pills, including over the counter ones as well. There will be University Hospital Pharmacy students and instructors to make sure you know when to take what and what ones have to be taken apart of other ones. Let's hope you don't have to be a clock watcher like Marie has to be on one of her pills.

Also with January coming up I have to ask you to check and see if it is time to donate for the postage fund. If so make checks payable to me so we can stay in the black.

The December meeting is 5 Dec Same time, same place, bring Christmas goodies and a Christmas card to have a happy fun time with friends.

DEC 1995

The December meeting was a great one—93 people signed in.

There were no first timers and the free meals went to Elizabeth Carlton and Bud Wingert.

Had lots of birthdays---Bob Reposa, Tom Oliver, Bill Smutz, Bob Knapp, Ben Perry, Lois Hoops and Don Neary. The song leader was the not at all bashful, Chuck Whitely.

That groaning Christmas cookie and candy and dip table was the most popular area of the room. I say a big thank you every one who brought the goodies. Everything was wonderful.

A letter from Jim Fisher up in Kimberly WI tells me they are expecting another grandchild around Christmas. Congrats.

50th wedding anniversaries during Dec were Jack and Lee Bruce on the 8th and Jim and Barb Deyo on the 15th. Congratulations and may you have many more.

Henry McCarley found himself on the puney list with a very short stay in the hospital. He is at home doing fine now.

On our Jan meeting on the 9th Mr Andrew Davis from the University of Colorado School of Pharmacy will bewith us for a very important reason. He and his staff will go over YOUR pills, both perscriptions and over the counter to let you know what to avoid with this or that pill, and there are very recent discoveries of pills that don't agree with each other. In Marie's case pills she has had for years cannot be taken together...after 52 years of doing it wrong!!!! So pack up your brown bag of pill bottles and sit down with a staff member after the meeting and you may be surprised.

Marie and I wish al of you a happy and prosperous New Year.

See you all on 9 Jan 96 about 11:00 at the Camana Club.
